Special Olympics Mission

The mission of Special Olympics is to provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

Purpose of Special Olympics

Special Olympics is a **worldwide** program of sports training and athletic competition open to individuals with intellectual disabilities regardless of their abilities. The International Olympic Committee (IOC) has granted its Official recognition to Special Olympics International, Inc. (SOI).

Coaching Guidelines

All practice sessions must be supervised by the coach and held in a location suitable for the activities of cheerleaders (i.e. use of appropriate mats, away from excessive noise and distractions, suitable athlete to coach ratio, etc.)

Coaches should recognize a cheerleader's ability level and focus on providing fundamentals. Athletes should not be pressed to perform activities until everyone has a good safety understanding.

All cheerleading squads should adopt a comprehensive conditioning and strength-building program.

Tumbling, partner stunts, pyramids and jumps should be limited to appropriate surfaces during practice and competition.

Spectator Guidelines

As fans (family, friends and supporters) of Special Olympics Athletes, it is expected that you will play a positive role at Special Olympics events by following these guidelines:

- Please refrain from using abusive or offensive language towards anyone; judges, coaches, opponents and fellow spectators.
- Keep your emotions under control – Remember that the athletes are amateur athletes and the coaches and officials are all volunteers.
- It may help if you understand the rules of the sport/event. If you need further information or clarification, ask your home program for a copy of the rules.
- De-emphasize winning and losing!
- Let the coach fulfill their volunteer role - and coach the players – please refrain from shouting instructions. This can lead to a penalty incurred by the athlete or team.
- Spectators and fans are prohibited in the competition areas. Only registered/approved coaches and athletes should be on the official playing field/area.
- **All cheers/routines** should stress the spirit of good sportsmanship. Derogatory comments directed to players, coaches or officials will not be tolerated.

Appropriate Equipment

Practice Surfaces Practice sessions must be held in a location suitable for spirit activities, i.e. appropriate surface/area, reasonably free of obstruction and excessive noise, etc.

Performance Surfaces Performing surfaces must be suitable and free from objects. When discarding props (signs, etc.) that are made of solid material, or have corners or sharp edges, team members must gently toss or place the props.

Use of mini-tramps, springboards, spring-assisted floors or any height-increasing apparatus is illegal for use during performances/competitions.

Divisioning

Ability is the primary divisioning factor in Special Olympics. Cheerleading teams will be divided into divisions based on ability and the number of squads registered for the competition.

Special Olympics, Inc. guidelines for gender and age groups will further division athletes or teams. Age group guidelines are as follows: 15 and under; 16-21; and 22 and over. Open age groups may be established to meet the required minimum number of competitors or teams in a division.

General SOSD Cheerleading Rules

The Special Olympics South Dakota Cheerleading Manual, and SOSD rules and guidelines will govern all cheerleading competitions sanctioned by SOSD.

All cheerleaders should receive proper training before attempting any form of cheerleading gymnastics (e.g. tumbling, partner stunts and jumps). The only tumbling allowed for SOSD competitions are forward & backward rolls, cartwheels, and round offs. For Unified Sports® teams, the level of tumbling should not exceed that of what Special Olympics athletes are capable of performing.

Coaches are **not** allowed on the floor during the performance of any routine **for any division**. Spotters are permitted on the floor, but cannot coach the squad.

Safety Infractions

Below are some examples of infractions that incur penalty points during competition:

- Unsecured hair devices for longer hair
- Walking on or over props
- Inappropriate or vulgar choreography
- Unsportsmanlike conduct from participant, coach, parent and/or spectator

Teams wishing to compete as a Unified team must have a coach certified in Unified Sports.

Unified Sports® is a program that combines approximately equal numbers of Special Olympics athletes with peer athletes without intellectual disabilities on sports teams for training and competition. Furthermore, all players (Athletes and Unified Partners) are of similar age and ability. Athletes in this program need to have the necessary skill level to participate in the sport so they can be appropriately matched with Special Olympics athletes, and vice versa. Unified Sports expands sports opportunities for current Special Olympics athletes seeking new challenges, as well as a valuable sports opportunity to individuals with or without intellectual disabilities who are not presently involved with Special Olympics.

For Special Olympics South Dakota Cheerleading Unified Sports® team competition, the number of Special Olympics athletes must be equal to or exceed the number of Unified Partners. If at any time during competition, the number of Unified Partners exceeds the number of Special Olympic Athletes; the squad will compete for participation ribbons only. There are no exceptions to this rule. Registration forms will not be accepted without the proper ratio of athletes and Unified Partners.

Rules of Competition

1. Squad must be registered in either a beginner level or an intermediate level.
Beginner - Competition shall consist of each squad of cheerleaders performing three cheers in a time limit of 1 minute and 30 seconds.
