Thank You For Your Service.
SOSD will be saying farewell to one board
member. We greatly appreciate the contribu-
tions you have made over the years.

Welcome to the Board!
We are most grateful for the commitment these
outstanding individuals have made to Special
Olympics South Dakota!

- Expand the Healthy Athlete Program by offer-
ing more free health screenings across more
disciplines.
- Start a Young Athlete Program for children
  ages 2-7 and their parents.
- Start a Winter Games program.
- Expand our Unified Sports program.

We are thrilled with our recent successes, but
more importantly we are excited to get to work on
our future goals. Thank you to the entire state for
your ongoing support!

From the desk of the CEO

It has been quite a year of change and chal-
gen for Special Olympics South Dakota
(SOSD). We want to thank everyone for their
wonderful support throughout this year of transit-
tion.

We are just putting the finishing touches on a new
facility that will play a big part in our future
growth. Our new headquarters will allow us to
reach out to more potential athletes and their fami-
lies across South Dakota.

We have many ambitious future goals:
- Enhance the 22 annual statewide events.
- Expand the Healthy Athlete Program by offer-
ing more free health screenings across more
disciplines.
- Start a Young Athlete Program for children
  ages 2-7 and their parents.
- Start a Winter Games program.
- Expand our Unified Sports program.

We are thrilled with our recent successes, but
more importantly we are excited to get to work on
our future goals. Thank you to the entire state for
your ongoing support!

Over 450 athletes, representing 20 delegations attended this tournament in Aberdeen on November 11-13, 2011. Singles, doubles, and team events were contested. This was our 24th annual event.

In addition to our competitive events, athletes enjoyed the Friendship Banquet and the Victory Dance. A highlight of the dance was the naming of the 7th Annual Gert Lutz Memorial Spirit and Sportsmanship winner. For many years, Gert Lutz was an unheralded, behind the scenes supporter of the State Special Olympics Bowling Tournament. Gert spearheaded numerous fundraising efforts and volunteered countless hours supervising the lanes. With Gert’s passing in the spring of 2004, Special Olympics South Dakota lost a true friend. Heads of Delegations nominated one athlete from their team who consistently demonstrates courtesy, sportsmanship and love for the sport of bowling.

Congratulations to Canton athlete Laura Lems (below), our 2011 award winner!

Our 7th annual State Unified Bowling Tournament was held at the Eastway Bowl in Sioux Falls on November 19 & 20, 2011. This event was our largest to date with 220 athletes and partners participating in doubles and team events. This tournament was expanded to two days this year to accommodate these growing numbers. In 2012, look for a slightly different format. Instead of participants bowling both events in the same day, doubles will be bowled on day one with team event being bowled on the second day of competition.

A huge thank you to Eastway Bowl for another outstanding event!

SOSD has taken the first steps toward a re-introduction of Winter Games. This January and February, approximately 30 athletes across the state will train and compete in Alpine Ski events. This group will come together for Ski Day competition on February 22, 2012 at Terry Peak. Look for this demonstration sport to expand into an official state event in the future.
The 18th annual State Equestrian Competition was held on the State Fair Grounds in Huron on July 11 and 12, 2011. A contingent of 84 strong competed in Barrels, Showmanship at the Halter, Showmanship at the Bridle, English Equitation, Western Equitation, and Working Trails.

Participating Communities: Handi-Riders (Sioux Falls), HOPE (Huron), Mitchell, Saddle Up (Watertown), Sioux Falls, SPURS (Aberdeen), Sun-Catcher TRA (Black Hills)

SOSD Athletes Are Integral Part of Research Project

These three faces have become quite familiar to those of us in the Special Olympics world. A handful of BHSU students, under the direction of Dr. Emilia Boeschen (Assistant Professor of Psychology-BHSU), have conducted approximately 100 athlete interviews and surveys in order to examine the competitive anxiety experienced by athletes with intellectual disabilities. The results of the study will be presented at the National Conference of Undergraduate Research in Ogden, UT.

According to Dr. Boeschen, “Our findings indicate athletes with I.D. are experiencing performance anxiety similar to other athletes, occurring theme athlete have expressed is the importance of the relationships they have with their coaches and fellow athletes. It is these relationships that are keeping athletes invested in Special Olympics.”

This trio traveled over 650 miles to spend the weekend with us at the State Bowling Tournament in Aberdeen. According to Dr. Boeschen, their relationship with Special Olympics and our athletes has morphed into something much deeper than a research project. “This has been such an amazing experience for our entire research team. We are hooked on Special Olympics!”

After many wonderful years of playing ball in the fine city of Huron, the 29th annual State Softball Tournament headed east to the community of Brookings. Thirty teams gathered on September 17 and 18, 2011 to compete in slow pitch, T-ball, and Unified Softball. SOSD is grateful for the contributions of the many volunteers who gathered in force to insure the success of this event.

OSD has joined 38 other States as a participant in the 2012 Scarf Project.

In 2011, 26,000 scarves were distributed nationwide, including 939 in South Dakota alone.

The Scarf Project began as an opportunity to provide a gift of welcome to the athletes of the 2009 Special Olympics World Winter Games held in Boise, Idaho. The Games Organizing Committee for the 2009 Special Olympics World Winter Games requested donations of scarves for each of the 2,100 participating athletes, and by Games time, nearly 60,000 homemade scarves were produced from every state in the U.S. and 12 countries around the world.

This nation-wide initiative gives knitters and crocheters the opportunity to contribute to the Special Olympics Program(s) of their choice, and to know that in doing so, they were contributing to an unprecedented sense of unity and support for the Special Olympics athletes and the Movement as a whole.

This 17th annual event is a friendly holiday blood drive pitting the Sioux Falls Fire Rescue against the Sioux Falls Police Department to see who can recruit the most blood donors.

The contest kicks off December 27th, 2011 and will run through January 6th, 2012. The public is encouraged to visit either Sanford Medical Center (333-6444) or Avera McKennan Hospital (322-7111) donor rooms and designate their blood donation to the department of their choice. Donors can choose a specially designed “police” or “fire” t-shirt (while supplies last) and enjoy a free appetizer compliments of Texas Roadhouse.

As the charity of choice for the Sioux Falls Police Dept., SOSD will receive a donation of $350.00 if they should win.

Last year it was the Police Department coming away with a close victory over the Fire Department.

Donors must be at least 17 years old (16 years old with a signed parent consent form), weigh 110 lbs or more and be in good general health. It is recommended that a person eat and drink plenty of fluids prior to donating blood.

Please bring an ID with you at the time of donation.

For more information call (605) 331-3222 or visit www.cbblifeblood.org.
Did I just see a snowflake? It must be getting closer to “Polar Plunge” weather. “Freezin For A Reason” is back and 2012 is going to be another exciting year for everyone.

2011 was another record breaking year for the Polar Plunges with our 1193 plungers statewide raising $378,000 for Special Olympics South Dakota and our local programs. There will be many new and exciting things this year.

First, every Plunger & Too Chicken To Plunger will be eligible for prizes. We will also be giving out incentive prizes for individuals raising money with gifts available at the $250, $500, $1,000 & $1,500 donation levels.

Finally, we will be having our Plungers & Chickens registering online for the events at www.firstgiving.com/sosd. Remember, there are three ways to get involved in the Polar Plunge: Plunging as an individual, Plunging as a team, or registering as “Too Chicken To Plunge”.

For more information, check out all the links on our webpage at www.sosd.org or contact Todd Bradwisch – Torch Run Liaison at 605-331-4117 or email me at tbradwisch@sosd.org. Join us for a plunge near you and see what we mean by “Freezin’ For A Reason”!

**Tip A Cop**

The “Tip A Cop” fundraiser was held at the Texas Roadhouse in Sioux Falls for the 2nd straight year. Law enforcement personnel traded their handcuffs and badges for menus and aprons as they “waited tables” for lunch asking patrons to make a donation to Special Olympics South Dakota. Texas Roadhouse generously donated pulled pork sandwiches, fries and a drink for the event. The “Tip A Cop” raised $2,963.00 in 2011. We are again looking at having this event with Texas Roadhouse summer, 2012 in both Sioux Falls & Rapid City. Watch our website for upcoming dates. See you there and bring an empty stomach!

These four amazing athletes represented South Dakota and Team USA at the 2011 World Special Olympics Summer. They competed with class and dignity and we are proud of your performances, but more importantly, we are proud of your character. Salute!
Volunteers do everything there is to do in Special Olympics and more. They are fund-raisers, cheerleaders, administrators, food handlers, chauffeurs, chaperones, trainers, coaches, publicists, policy makers, trash collectors, friends, comrades and supporters of Special Olympics. They serve without salary, without recognition, without honors or awards. Special Olympics could not do without them - their devotion, their work and their love. Each year it is the pleasure of Special Olympics South Dakota to recognize our Outstanding Award Winners. These individuals and groups contribute their time, talents and resources in support of SOSD. They are the driving force behind our success. So “thank you” volunteer! You represent the highest values of the human spirit. You get your thanks, not in money or words or praise, but through what you do for Special Olympics.

Athlete Of The Year - Kathie Herrera, Vermillion

The Outstanding Athlete Award is presented to a Special Olympics athlete who has demonstrated the true spirit, courage, sharing and joy of Special Olympics.

The recipient of the Athlete of the Year award is Kathie Herrera. Kathie has received numerous awards for athletics, basketball, aquatics and bowling. In 2010 she was honored with the Sportsmanship Award at the State Basketball Tournament. She was also selected to participate in the 2010 National Games in Lincoln, NE and this past summer she participated in the World Summer Games held in Athens, Greece. According to Kathie’s Coach, “When I first met Kathie 3 years ago, she was shy and lacked self-confidence. Today, she is a very confident young woman who faces challenges head on! I believe this transformation is due to her participation in Special Olympics. Not only is she an outstanding athlete, she is a phenomenal role model for her younger teammates. On her own initiative she has taken one of our younger athletes under her wing and has gotten him to participate in activities we coaches could not not.

NOMINEES:
• Kara Conner (Brookings)
• Wade Hughes (Redfield)

Don Baker Award - Barb Sandoval, Sioux Falls

The “Don Baker Award” is the highest award presented by SOSD. It is given in honor of Don Baker, a volunteer and official starter for Special Olympics events. This award is given annually to an individual, organization, business, or institution who has given outstanding support to Special Olympics.

Barb Sandoval has been involved with Special Olympics for over 20 years. It is estimated she volunteers 150 hours annually, and that doesn’t include time spent at the actual event.

Barb serves as the local coordinator for the Southeast Area Spring Games and the Southeast Area Aquatics Competitions. She has also been an Event Director the past three years at our State Summer Games.

Barb was a World Games Coach at both the 2003 Ireland and 2007 China games, and a National Games Coach at both the 2006 Ames and 2010 Lincoln Games.

What makes Barb an amazing coach and person is not just the exceptional amount of time she gives SOSD, but the quality of that time. To a person her athlete’s describe her as kind, comforting, fair, and fun. If asked to choose a person who exemplifies the ideal coach and mentor to our athletes it would be Barb.

NOMINEES:
• Bob Salmi (Aberdeen)
• Judy Miller (Beresford)
• Jhett & Kathy Albers (Spearfish)

Lyle Farrand Award Volunteer of the Year - Don Rieck, Spencer

The “Lyle Farrand Award” is given in honor of Lyle Farrand of Sioux Falls, who in 1968 was instrumental in starting Special Olympics South Dakota. This award is given to an individual who has made a tremendous impact on Special Olympics.

Don has done the announcing duties for 17 of 18 State Equestrian Competitions. Don takes time off to travel to Huron for this two day event, and also provides all the audio equipment needed for the competition. The sport of Equestrian is very complex, and requires someone with extensive technical experience to lead us through the competition. Without Don we would truly be lost.

NOMINEES:
• Joselyn Schmitz (Aberdeen)
• Mike Mogard (Brookings)
• Prairie Berry Winery (Hill City)
• Beth Lalim & Salena Engels (Watertown)
**Ron Stewart Award Coach Of The Year - Cathy Grubb, Belle Fourche**

The “Ron Stewart Award” is given in honor of Ron Stewart of Rapid City who was a Special Olympics Coach for over 25 years. This award is given to a coach who has given their time to encourage Special Olympics athletes to achieve their fullest potential.

Cathy does not coach for the glory, but for the enjoyment of it all. Her ability to motivate, plus her knowledge of sport enables her to get the most out of her athletes. Cathy has coached at the last two National Games held in Ames, IA and Lincoln, NE. Her positive attitude and quick smile make her exceptionally popular with athletes and coaches from across the state. She is a caring and trusting coach, and the athletes in the Belle Fourche School District have been blessed with her talents.

**NOMINEES:**
- Scott Carroll (Brandon Valley)
- Patrick Schuster (Watertown)
- Brent & Tracey Steinbach (Spearfish)

---

**Family Of The Year - The Kuechenmeister Family, Brookings**

This award is given to a family who demonstrates unique and outstanding support of Special Olympics athletes.

The Kuechenmeister family has dedicated countless hours and resources to Special Olympics Brookings and Special Olympics South Dakota. Each family member has been instrumental in creating awareness and raising funds for both the local and state programs.

Mike (father) is a strong supporter of the World’s Largest Convoy, while Deb (mother) is busy volunteering with the Special Olympics Brookings team.

Sons Mike, Jeff and Brian donate money, equipment, and even proudly display a Special Olympics Brookings logo on their race car.

Daughter Jessie has coached since 2002. Because of her leadership and guidance this program has grown and flourished in the past few years.

Finally, nephew Michael has participated in fundraisers and is an advocate for social change (Spread The World To End The Word) in his school.

The Kuechenmeister family has exhibited the best example of a family improving the quality of Special Olympics Brookings and Special Olympics South Dakota.

**NOMINEES:**
- Foote Family (Spearfish)
- Krcil Family (Wagner)
- Bradwisch Family (Mitchell)

---

**D. J. Mertens Award “Champion” of the Year - Kiwanis Club, Watertown**

The “Dj Mertens Award” is given in honor of DJ Mertens who was instrumental in establishing and developing Special Olympics South Dakota. This award is presented to a business, organization or media outlet which has made a major contribution to Special Olympics South Dakota.

The Kiwanis Club of Watertown has been a tremendous supporter of Special Olympics over the past several years. When the Northeast Area Spring Games came to Watertown, the Kiwanis Club volunteered to run the concessions stand and provide lunches to ALL registered coaches and athletes. What began as a three commitment to help with Spring Games is now at five years… and counting (we hope)!

**NOMINEES:**
- Powershop Gym (Brookings)
- Spearfish Middle School (Spearfish)
- Globe University (Sioux Falls)
- LETR (Joel Perry, Brookings)

- Volunteer Of The Year (Lyle Farrand Award)
- Champion Award (Dj Mertens Award)
LEAP Program

The Special Olympics South Dakota Life Enhancement Assistance Program (LEAP) is an income assistance program. Participants, through their local groups, can qualify for financial assistance for selected events. The program’s goal is to increase participation in SOSD events by helping local groups with expenses related to their team’s participation.

LEAP support is now being offered at SOSD’s six state events. Through continued support of our donors, LEAP will expand as a partnership program with local groups across the state in an effort to get more participants involved in SOSD’s many beneficial events.

LEAP is a Community Reinvestment Act (CRA) eligible program. If you would like to know more about the LEAP program from either a donor standpoint or local group support, please contact Darryl Nordquist, CEO/Executive Director.

Can you help us reach more of those with intellectual disabilities across South Dakota? The following critical items are needed:
- $38,000 still needed to complete a $200,000 match fund provided by Avera Health and Sammons Financial.
- Balance of unbudgeted Geothermal System (the gift that keeps on giving) - $20,000
- Office Furniture - $30,000
- Lighted sign on building - $8,775 (recently gifted by Wal-Mart!)
- Message board display sign on front of building (3’4” x 13”) - $30,000
- Full length shelving in storage area - $7,500
- Equipment (snow blower, riding mower, etc) - $5,000
- Lobby display recognizing athletes and donors - $9,000
- Used cargo van - $15,000
- Command Center trailer - $7,500

$200 per year for 5 years is $1,000 toward covering these expenses… $1,000 per year for 5 years is $5,000! Call Darryl at 605.376.8613 if you would like to make a pledge. Thank you!

It's time again for our P&G brandSAVER® program! P&G has been a valued partner of Special Olympics for over 30 years and we are thrilled to, once again, be a part of this valuable promotion.

Keep an eye out for your P&G brandSAVER® coupon books in your local newspaper on Sunday, January 1, 2012. This year's promotion is based on coupon redemption: Special Olympics receives 3 cents for every coupon used. There is no limit to the gift, so the more you redeem the coupons or encourage your friends and family the greater the money raised for Special Olympics. And don’t forget the savings for you -- the P&G brandSAVER® coupon book includes more than $109 in savings on many of your favorite brands!

The coupons expire January 31, 2012, so don’t wait too long to start clipping and saving! This is a great opportunity to raise money for Special Olympics and to continue to spread our message of respect, acceptance and inclusion.

You can find your P&G brandSAVER coupon book in the following newspapers:

- Aberdeen American News
- Mitchell Daily Republic
- Rapid City Journal
- Sioux Falls Argus Leader
- Watertown Public Opinion
- Yankton Daily Press & Dakotan

We’re proud to be one of five charitable partners in the Subaru “Share the Love” event. Subaru knows their owners care. That’s why they created the “Share the Love” event. You get a great deal on a new Subaru and they’ll donate $250 to your choice of five charities, one of which is Special Olympics. Over the last three years, they’ve donate nearly $15 million dollars to charity. They hope to donate another five million by sharing the love again this year. Funds donated to Special Olympics will benefit our programs in local communities across the United State helping us to provide greater service for our athletes.

Whether you are in the market for a new Subaru or you know someone who is, be sure to pick special Olympics as your “Share the Love” event charity and help support our athletes. Learn more by visiting Subaru.com/share.

Visit either Shulte Subaru in Sioux Falls or Courtesy Subaru in Rapid City.
The Special Olympics Healthy Athletes® program was developed in 1996. This program is designed to help Special Olympics athletes improve their health and fitness, leading to enhanced sports experience and improved well-being. This initiative consists of seven disciplines:

**Fit Feet:** Athletes are screened for feet and ankles for deformities, skin and nail problems, and also check for proper shoes and socks.

Clinician Requirements: Doctor of Pediatric Medicine

**FUNfitness:** Physical Therapists assess and improve flexibility, stamina, functional strength and balance, educate participants, families and coaches about the importance of flexibility, strength and balance, and provide a hands-on opportunity for participants to learn about physical therapy.

Clinician Requirements: Licensed Physical Therapist

**Special Smiles:** Athletes are provided with hygiene education, a “goody-bag” containing toothbrush, toothpaste and floss, nutritional education and a free mouth guard.

Clinician Requirements: Licensed Dentist or Dental Hygienist

**Health Promotion:** Health Promotion venues empower and motivate athletes to make healthy lifestyle choices that will improve their long-term health by using interactive educational games and literature. Athletes are offered guides for healthy eating, sun safety, smoking cessation, lifestyle choices and fun ways to increase physical fitness.

Clinician Requirements: Dietician, Physician, Nurse, PT, Health Educator

**Healthy Hearing:** Clinicians screen the hearing of athletes and notify athletes and their coaches if follow-up care is needed.

Clinician Requirements: Audiologist or Speech-Language Pathologist.

**MedFest:** Standard sports physical examination for current and prospective Special Olympics athletes are completed.

Clinician Requirements: Medical Doctor, Physician

**Opening Eyes:** Under this program, extensive vision screenings are conducted. Athletes are then provided with free prescription eye glasses, sport wear glasses and sunglasses as warranted.

Clinician Requirements: Vision Care Professional, Licensed Optometrist or Ophthalmologist

Fit Feet, FUNfitness and Special Smiles clinics have been held at past SOSD events. Healthy Hearing will be unveiled at 2012 State Summer Games.

We are actively seeking qualified clinicians for all seven disciplines. Please contact us if interested.

**Special Olympics Young Athletes**

Since its inception in 1968, Special Olympics has established itself as a preeminent global organization offering sports training and competition opportunities to people with intellectual disabilities ages eight and above.

With the introduction of the Young Athletes program, we now welcome children ages two to seven years old into the Special Olympics Movement. This innovative sports play program is designed to introduce children with intellectual disabilities and their families to the world of Special Olympics by pursuing the following goals:

- Engage children with intellectual disabilities through developmentally appropriate play activities designed to foster physical, cognitive, and social development;
- Welcome family members of children with intellectual disabilities to the Special Olympics network of support;
- Raise awareness about the abilities of children with intellectual disabilities through inclusive peer participation, demonstrations and other events.

In December, 2011, SOSD conducted its first ever Young Athletes session in Watertown. Six Young Athletes, along with a sibling and a parent participated in four evenings of activities and games. “The kids had a ball,” stated parent and facilitator SeLena Engels. “This is such an exciting program for all our future Special Olympics athletes and their parents.”

ATTENTION EDUCATORS!

Special Olympics Get Into It consists of online resources that include lessons, activities, videos, athlete stories and supplemental materials. At the core of Get Into It are age-appropriate lessons designed to be taught in the context of class periods. Activities with ties to service learning are completed in a classroom or community setting, as part of a club, an after school activity or a community based event and include involvement with local Special Olympics Programs whenever possible.

Visit the website below for important information: https://getintoit.specialolympics.org/

IT'S GETTING COLD OUTSIDE

Office manager Twila Hansen (left) and CEO/Executive Director Darryl Nordquist (right) model winter hats and mittens made by inmates at the South Dakota State Penitentiary and the South Dakota Women’s Prison respectively. According to State Penitentiary Case Manager Heather Weld (middle), “Inmates constructed 1,700 hats and 720 mittens over this past year. These items were donated to approximately 15 non-profits in our community.”

SOSD was fortunate enough to receive 200 hats and 100 mittens which were distributed to athletes during our State Bowling Tournaments.

Thank you inmates for your generous gift!
